Sir:

This is in response to the Advisory Action mailed December 6, 2005, in which the Office refused to enter Applicant's proposed amendment on the ground that Applicant's amendments necessitated additional search and/or consideration. Applicant respectfully requests the Examiner's reconsideration and withdrawal of the Advisory Action.

In the preceding response, Applicant amended claim 1 to include the recitations of dependent claims 3 and 7. In amending claim 1 to include the recitation of claim 3, the limitation "evenly" was excluded. To this end, claim 3 was not cancelled. On the other hand, claim 7 was cancelled as the subject matter claimed therein was incorporated in claim 1.
